Ok....I can also arrange to have you on at 9AM...you'd be out of here by 9:30(ish). Do you have the ADA's name? I could call them for you.

Hi Marianne,  
I have a case in Holyoke District Court. Your case would take preference. I just want to check with the ADA in Holyoke to see if the case is still on. It has been continued a number of times.  
Thanks,

Jim

Hi Jim,

I wanted to give you the heads up that that old case we talked about is going to start on Friday. I will need you Tuesday. Does that work for you? We will send you a formal notice but I want to give you as much notice as possible.

Thanks,

Marianne
